Dear Sir:

Earlier today, Applicants filed an Information Disclosure Statement ("IDS") citing two references, one of which was an International Search Report. However, after filing the IDS, we noted that the other reference (European Patent No. 04340829) is two-sided and was submitted incomplete, with pages missing. In lieu of same, attached herewith is a complete copy of European Patent No. 04340829. Please disregard the earlier-submitted copy.

If you have any questions, please contact the undersigned.
